FOIAb3b

AN "UNSUNG HERO?"—Mrs. Marguerite Oswald, mother of slain accused Presidential assassin Lee Harvey Oswald, tells a news conference in New York City her son is an "unsung hero" who gave his life for his country as a "government agent," possibly with the super-secret Central Intelligence Agency (CIA). She claims she has documentation to support her belief that her son was working for the U.S. government at the time of his death.
